

**19TH INTERNATIONAL CONFERENCE  
ON THE SCIENCE AND APPLICATION OF  
NANOTUBES AND LOW-DIMENSIONAL MATERIALS**

**JULY 15-20, 2018 PEKING UNIVERSITY, BEIJING**

**CONFERENCE SUMMARY**

NT01 in Postdam

NT09 in Beijing

NT18 in Beijing

# Social Services

Conference Dinner

Welcome Reception

Conference T-shirt

Campus Tour

Excursion

Conference Banquet

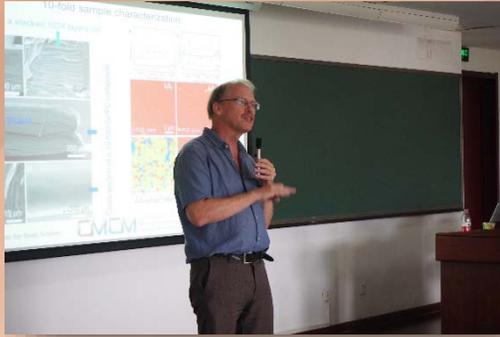

Coffee Time

Volunteers

# Parallel Symposia

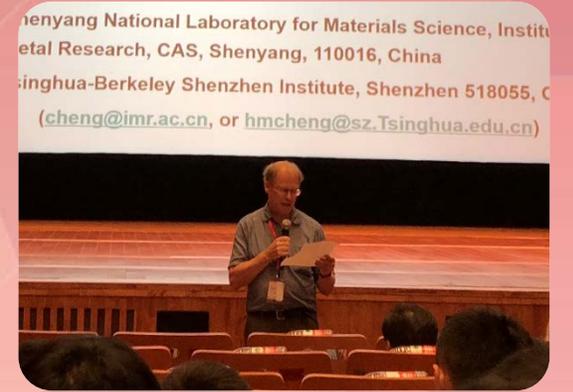

Six Parallel Symposia have taken place at the Natural Sciences Teaching Building on July 15<sup>th</sup>.

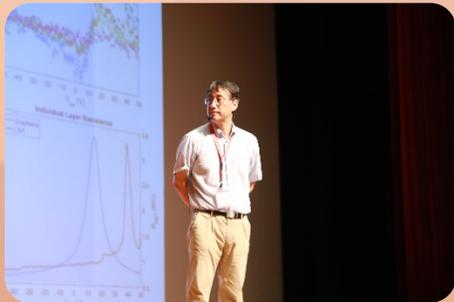

# Opening ceremony

# Scientific Program

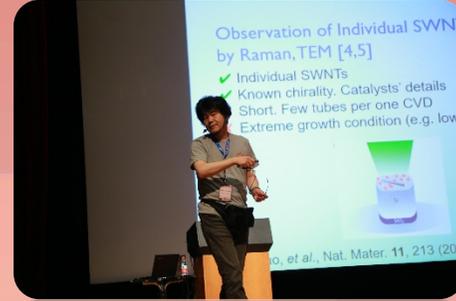

2 Tutorial Talks

5 Keynote Talks

# Scientific Program

12 Keynote Talks

37 Contributed Talks

Poster Presentation

Sponsor Talks

# Participants

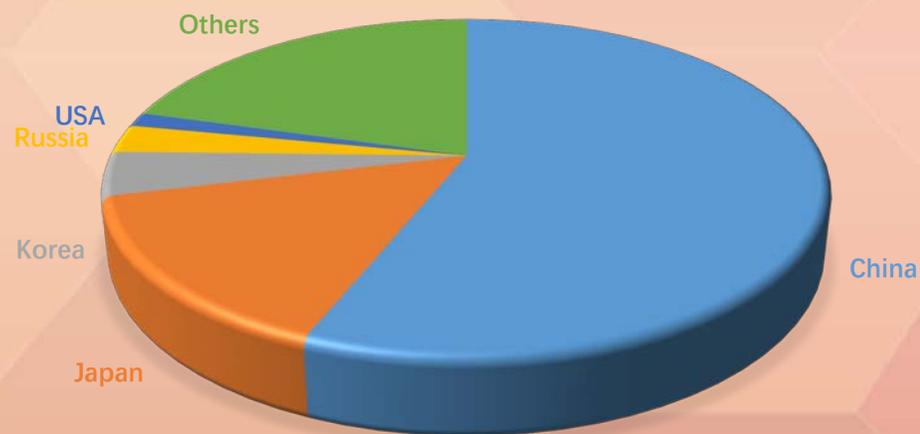

## Distribution

521 Participants.

46 Volunteers.

260 Audiences.

827 TOTAL.

78 Japanese, 22 Korean,

14 Russian, 7 American

## Abstracts Submission

Subject	Contributions
Keynote and Invited Speakers	18
Synthesis, Processing, and Functionalization	
Controlled synthesis & preparation	89
Purification, separation, sorting	11
Chemical modification & functionalization	12
Properties and Characterizations	
Mechanical, electronic, optical properties	89
Characterization techniques	11
Theory and Simulation	41
Applications	
Devices & sensors	56
Energy & environmental	53
Composites	14
Toxicology & biomedical applications	17
Scale-up for Industrialization	10
Other Related Topics	17
Parallel Symposia	97
Total	535
