

*A3 Symposium on Emerging Materials:  
Nanocarbons and Nanowires for Energy*

*Excellent Poster Award*

*Presents to*

*JinHyeok Cha, Shohei Chiashi, Junichiro Shiomi, and Shigeo Maruyama\**

*For their outstanding research achievement in*

*“Molecular dynamics simulation of thermal boundary conductance  
between swnt and surrounding fluids”*

*November 11, 2010*

*Prof. Riichiro Satio, Younghee Lee and Huiming Cheng  
Symposium Chairs, A3 Symposium on Emerging Materials*
